DEPARTMENTAL LITFEST

Department of European Languages and Cultures

Do you have a favourite foreign author that no one knows about?
Are you secretly enjoying poetry or are enthusiastic about a novel you read in a seminar
but won't admit it?

This is your chance to come out and **share your favourite piece of foreign literature** with the rest of the students of DELC. We are organising a departmental litfest where you can read and listen to literature from different countries in the original and in English. We need people who are passionate about literature and who are willing to share this passion in order to make this a great event. If you would like to contribute to the litfest, please contact the *Litfest officer* of your language section.

Aminata Tall (Français), Jose Fuentetaja (Español), Greta Marinari (Italiano), Judith Menzel (Deutsch),
Maria Pujol-Valls (Catalan)
